PRODUCT OVERVIEW

The LMP Lightning Cable is a high quality MFI-certified charge and sync cable. With this USB 2.0 cable you can connect your iPod, iPhone, or iPad to your computer's USB port for efficient syncing and charging. The redesigned connector allows it to be plugged in either side facing up or down. For faster, more convenient charging from a wall outlet, we recommend the use of the LMP USB Power Adapter.

P/N 11760
